Ensign Thomas Edward Vander Gucht to be Lieutenant,
} From the 28th February 1855, in succession to Captain and Brevet Major Joseph Carleton Salkeld, retired.

No. 308 *of* 1855.—With the view of affording an improved system of instruction in Regimental and other Schools attached to the European portion of the East India Company's Troops at the three Presidencies, and to assimilate as far as practicable the School Regulations of the East India Company's Army with those of Her Majesty's Service, the Hon'ble the President of the Council of India in Council, with the concurrence of the Most Noble the Governor General, is pleased to direct that the following Rules shall have effect at the three Presidencies from the 30th April next:—

Army School Regulations.

1. There shall be a Superintendent of Army Schools at each Presidency to be appointed by the local Government.

2. There will be established at each Presidency, attached to some College or School, a Normal School for the purpose of training Soldiers and others as School-masters for the Army.

3. Applications for the admission of Soldiers into the Normal School for the purpose of being trained as School-masters for the Army are to be transmitted by Commanding Officers direct to the head of the Establishment, who, after examining the several certificates, will apply to the Adjutant General of the Army for such of the candidates as he may think most likely to qualify themselves as School-masters. Applicants must be unmarried, as a general rule between the ages of 18 and 25, and must have passed a preliminary examination before the Superintendent of Schools, or in his absence, before the Chaplain of the Station or such Officers as may be named from time to time. The exact age, services, character, &c., of candidates must be stated by the Commanding Officer in the applications.

4. Soldiers, while under instruction in the Normal School, will be allowed their full pay as if present with their Regiments, and will continue to be borne on the strength of their corps.

5. The sons of Soldiers will also, on passing the preliminary examination, be admitted to the Normal School to be trained as School-masters. They must be of pure European parentage and not under 16 years of age. They are to be enlisted and attested as Soldiers, and will be entitled to the pay of Privates of Infantry from date of admission, and will be borne on the Returns of one of the Infantry Regiments.

6. The number of students at the Normal School will be fixed from time to time according to circumstances.

7. The names of men who obtain certificates of qualification as School-masters or Assistant School-masters, are to be sent to the Adjutant General of the Army for publication in G. O. by the Commander-in-Chief, who will nominate them, as vacancies occur, to Regimental and other Schools.

8. A portion of trained School-masters, when qualified persons are procurable, will be sent out from England, and these are to be first posted to Regiments and Schools. School-masters trained at the Normal School, will, in the first instance, if no vacancies exist in the grade of School-masters, be appointed as Assistant School-masters in Schools, and their subsequent appointment to the charge of a School will be generally regulated by the date of their obtaining their certificates of qualification as School-masters.

9. All Assistant School-masters (Fourth Class) will be liable to be removed from one Regiment or Station to another according as their services may be most required.

10. Army School-masters will be divided into four Classes and designated:

First Class School-master.
Second Class ditto.
Third Class ditto.

12. Neither the School-master nor his assistant is to be under the authority of any Non-Commissioned Officer as regards the duty of his office.

13. The Assistant School-masters will be under the immediate superintendence and control of the School-master of the Regiment or Station to which they may be attached, and will be liable to obey all directions they may receive from such School-master in regard to their duties in the School and in preparing Returns, &c. connected therewith, subject of course to such orders as may be issued by the Commanding Officers, and such School-master will consider it his duty to advise his assistants as to their general conduct, and will include in his Monthly Report a report of their conduct, and the manner in which generally they have performed their duties during the previous month. The School-master is at all times to set a proper example to the assistants under his care, and to train them as far as he can for the future, as well as the present duties they have to discharge, and to afford every assistance in his power to advance them in their studies.

14. School-masters on obtaining a certificate of qualification will enter the Third Class, and their advancement to the higher classes will be made by Government upon the recommendation of the

Superintendent of Schools for merit only; and a School-master may be reduced by Government from a higher to a lower class, or from School-master to Assistant School-master for misconduct.

15. An Assistant School-master before he can be promoted to School-master, must pass a further examination: and generally he will be required to undergo a further course of instruction at the Normal School, and this will only be dispensed with when the Superintendent of Schools certifies to the entire fitness of the Assistant for the duties of School-master.

16. All School-masters and Assistant School-masters are enlisted under the provisions of the Mutiny Act, and are amenable to trial for all offences against its provisions. But considering the education and position of the School-master, the Commander-in-Chief is requested to direct that no School-master shall be brought to trial for any misconduct until a report of the facts and circumstances connected with the case has been made to His Excellency for such directions as he shall think fit to give.

2. The Delivery Peons of the Calcutta Post Office are now required to pay in advance the postage due on letters made over to them for delivery, and the Calcutta Post Office authorities have been desired to enforce strictly the provisions of the Section quoted above.

H. B. RIDDELL,
Director General of the Post Office in India.

Notice.

1. THE sale of Postage Stamp Labels to the Public will commence on the 20th instant.

6. Each Sheet of Postage Stamps contains 96 Labels. The Sheets are not gummed. Persons who may buy a whole Sheet are recommended to apply gum to the Sheet rather than to each Stamp.

8. Letters found in the Box without Stamps will be liable to be despatched bearing Postage, and will in that case be charged with double Postage on delivery.

The Directors have great pleasure in informing their fellow-shareholders in India, that they have at length succeeded in procuring a Royal Charter of Incorporation, conferring on the Bank the fullest powers, and enabling it to carry on every description of Banking business in London as well as in the East Indies and in the Eastern Colonies of the Empire.

In London, the Corporation opens current accounts and receives Interest Deposits in the usual manner of London Bankers, and in addition undertakes the collection and regular transmission to England of Interest on Government Paper and Dividends of Banks and Joint Stock Companies in India at a fixed rate of Exchange if desired. The Corporation draws the pay and pensions of Officers in the Services from the India House and from the several Funds. It effects the sale of, as well as purchases, Government Paper and buys Bills drawn against Government Paper or Securities in India and Bills covered by shipping documents, and sells its own Bills and letters of credit upon Calcutta, Bombay and the larger stations in India at the exchange of the day.

In Calcutta, the Branch of the Corporation also transacts every description of Banking business: opens current accounts; receives Interest deposits; undertakes the safe custody of Government and other securities; realizes Interest and dividends, pay and pensions, and remits the same on behalf of constituents; negotiates the sale and purchase of Government Paper, Bank Shares and other Stock; collects Bills; and grants its drafts on London: on the following terms, *viz.*:

They can likewise be availed of without the usual notice if taken in the Bank's Bills on London, at the advertised rates of the day.

The Bank reserves to itself the right of closing these deposit Accounts, or modifying their terms on giving three months' notice of its intention to do so.

No Interest is allowed on Deposits under 500 Rupees, nor on any over 50,000 Rupees, unless by special arrangement.

The 10th March 1855.

THE following Bill was read a second time in the Legislative Council on the 10th March 1855 and referred to a Select Committee who are to report thereon after the 14th of June next:—

A Bill to substitute penal servitude for the punishment of Transportation in respect of Europeans Convicts, and to amend the Law relating to the removal of such Convicts.

Preamble.

WHEREAS, by reason of the difficulty of providing a place to which Europeans can, with safety to their health, be sent for the purpose of undergoing sentences of transportation or of imprisonment for long terms, it has become expedient to substitute other punishment for that of Transportation, and to amend the law relating to the removal of European Convicts for the purpose of imprisonment. It is enacted as follows:—

No European to be sentenced to transportation.

I. After the commencement of this Act no European shall be liable to be sentenced or ordered by any Court within the territories in the possession and under the Government of the East India Company to be transported.

Terms of penal servitude instead of the present terms of transportation.

II. Any person who, but for the passing of this Act, would, by any Law now in force, or which may hereafter be in force, in any part of the said territories, be liable to be sentenced or ordered, by any such Court, to be transported, shall, if a European, be liable to be sentenced or ordered to be kept in penal servitude for such term as hereinafter mentioned.

The terms of penal servitude to be awarded by any sentence or order instead of the term of transportation to which any such offender would, but for the passing of this Act, be liable, shall be as follows, (that is to say)—

Instead of transportation for seven years, or for a term not exceeding seven years, penal servitude for the term of four years.

Instead of any term of transportation exceeding seven years and not exceeding ten years, penal servitude for any term not less than four and not exceeding six years.

Instead of any term of transportation exceeding ten years and not exceeding fifteen years, penal servitude for any term not less than six and not exceeding eight years.

Instead of any term of transportation exceeding fifteen years, penal servitude for any term not less than six and not exceeding ten years.

Instead of transportation for the term of life, penal servitude for the term of life. And in every case where, at the discretion of the Court, one of any two or more of the terms of transportation hereinbefore mentioned might have been awarded, the Court shall have the like discretion to award one of the two or more terms of penal servitude hereinbefore mentioned in relation to such terms of transportation.

Discretion of courts as to alternative punishments not to be affected.

III. Provided always that nothing herein contained shall interfere with or affect the authority or discretion of any Court in respect of any punishment which such Court may now award or pass on any offender other than transportation; but where such other punishment may be awarded at the discretion of the Court instead of transportation or in addition thereto, the same may be awarded instead of, or (as the case may be) in addition to the punishment substituted for transportation under this Act.

Effect of pardon granted upon condition of penal servitude.

IV. If any offender sentenced by any Court within the said territories to the punishment of death shall have mercy extended to him, upon condition of his being kept in penal servitude for life, or for any term of years, all the provisions of this Act shall be applicable to such offender in the same manner as if he had been lawfully sentenced under this Act to the term of penal servitude specified in the condition.

The Executive Government may direct Europeans under sentence of transportation to be kept in penal servitude.

V. It shall be lawful for the person or persons for the time being administering the Executive Government of any Presidency or place in which a European has been lawfully sentenced by any Court to be transported, to order such person, instead of being transported, to be kept in penal servitude for the shortest term of penal servitude substituted by this Act for a term of transportation of the same extent as that to which the offender is liable under such sentence or order.

Term of penal servitude in such case.

VI. Every person who, under this Act, shall be sentenced or ordered to be kept in penal servitude, may, during the term of the sentence or order, be confined in any such prison or place of confinement within any part of the said territories as the Governor General of India in Council shall, by any General Order, from time to time direct; and may, during such time, be kept to hard labour; and such person may, until he can conveniently be removed to such prison or place of confinement, be imprisoned, with or without hard labour, and dealt with in all other respects in the same manner as persons sentenced by the convicting Court to imprisonment with hard labour may, for the time being, by law be dealt with. Provided that the time of such intermediate imprisonment, and the time of removal from one prison to another, shall be taken and reckoned in discharge or part discharge of the term of the sentence.

Persons under sentence of penal servitude where to be sent and how to be dealt with.

Intermediate imprisonment

Proviso.

VII. All Acts and Regulations now in force within any part of the said territories, with respect to convicts under order or sentence of transportation, or under order or sentence of imprisonment with hard labour, shall, so far as may be consistent with the express provisions of this Act, be construed to extend and be applicable to persons under any order or sentence of penal servitude made or passed under this Act.

All Acts, &c., respecting convicts under sentence of transportation or imprisonment with hard labour made applicable for the purposes of this Act.

VIII. The person or persons for the time being administering the Executive Government of the Presidency or place in which any European Convict is imprisoned, under a sentence or order of imprisonment for a term exceeding one year, whether with or without hard labour, may, with the consent of the Governor General of India in Council, order the removal of such prisoner from the prison or place in which he is confined to any other public prison or place of confinement within any part of the said territories, and such order shall be a sufficient authority for imprisoning the convict during the remainder of the term mentioned in the sentence, or any part of such term, in the Jail to which the prisoner is removed.

Removal of European convicts under sentence of imprisonment from one prison to another.

IX. It shall be lawful for the Governor General of India in Council to grant to any convict who may hereafter be sentenced or ordered to be kept in penal servitude, a license to be at large within the said territories, or in such part thereof as in such license shall be expressed, during such portion of his term of servitude, and upon such conditions in all respects as to the Governor General of India in Council shall seem fit, and it shall be lawful for the said Governor General in Council at any time to revoke or alter such license by a like order.

Government may grant a license to be at large to any convict under sentence of penal servitude.

X. So long as such license shall continue in force and unrevoked, such convict shall not be liable to imprisonment or penal servitude by reason of his sentence, but shall be allowed to go and remain at large according to the terms of such license.

Holder of such license not to be imprisoned, &c.

XI. In case of the revocation of any such license as aforesaid, it shall be lawful for one of the Secretaries to the Government of India, by order in writing, to signify to any Justice of the Peace or Magistrate that such license has been revoked, and to require such Justice or Magistrate to issue a warrant for the apprehension of the convict to whom such license was granted, and such Justice or Magistrate shall issue his warrant accordingly; and such warrant may be executed by any officer to whom it may be directed or delivered for that purpose in any part of the said Territories, and shall have the same force and effect in any place within such territories as if the same had been originally issued or subsequently endorsed by a Justice or Magistrate, or other lawful authority having jurisdiction in the place where the same shall be executed; and such convict, when apprehended under such warrant, shall be brought, as soon as he conveniently may be, before the Justice or Magistrate by whom the said warrant shall have been issued, or some other Justice or Magistrate of the same place, or before a Magistrate or Justice having jurisdiction in the zillah or district in which such convict shall be apprehended, and such Justice or Magistrate shall thereupon make out his warrant, under his hand and seal, for the re-commitment of such convict to the prison or place of confinement from which he was released by virtue of the said license, and such convict shall be re-committed accordingly, and shall thereupon be liable to be kept in penal servitude for such further period as, with the time during which he may have been imprisoned under the original sentence or order, and the time during which he may have been at large under an unrevoked license, shall be equal to the period mentioned in the original sentence or order.

If license revoked, the convict may be apprehended and committed to prison.

XII. If a license be granted under Section IX. of this Act upon any condition specified therein, and the convict to whom the license is granted violate any such condition, or shall go beyond the limits specified in the license, or, knowing of the revocation of such license, shall neglect forthwith to surrender himself, or shall conceal himself or endeavour to avoid being apprehended, he shall be liable upon conviction to be sentenced to penal servitude for a term not exceeding the full term of penal servitude mentioned in the original sentence or order.

Penalty for breach of condition of the license.

XIII. Nothing in this Act is intended to alter or affect the provisions of the 12 and 13 Vict. Cap. 43, or any Act of Parliament passed in the United Kingdom of Great Britain and Ireland since the 28th of August 1833, or which may hereafter be passed.

SATURDAY, MARCH 17, 1855.

Legislative Council.

The 10th March 1855.

THE following Bill was read a second time in the Legislative Council on the 10th March 1855 and referred to a Select Committee who are to report thereon after the 14th of June next :—

A Bill to substitute penal servitude for the punishment of Transportation in respect of European Convicts, and to amend the Law relating to the removal of such Convicts.

Preamble.

WHEREAS, by reason of the difficulty of providing a place to which Europeans can, with safety to their health, be sent for the purpose of undergoing sentences of transportation or of imprisonment for long terms, it has become expedient to substitute other punishment for that of Transportation, and to amend the law relating to the removal of European Convicts for the purpose of imprisonment. It is enacted as follows :—

No European to be sentenced to transportation.

I. After the commencement of this Act no European shall be liable to be sentenced or ordered by any Court within the territories in the possession and under the Government of the East India Company to be transported.

Terms of penal servitude instead of the present terms of transportation.

II. Any person who, but for the passing of this Act, would, by any Law now in force, or which may hereafter be in force, in any part of the said territories, be liable to be sentenced or ordered, by any such Court, to be transported, shall, if a European, be liable to be sentenced or ordered to be kept in penal servitude for such term as hereinafter mentioned.

The terms of penal servitude to be awarded by any sentence or order instead of the term of transportation to which any such offender would, but for the passing of this Act, be liable, shall be as follows, (that is to say)—

Instead of transportation for seven years, or for a term not exceeding seven years, penal servitude for the term of four years.

Instead of any term of transportation exceeding seven years and not exceeding ten years, penal servitude for any term not less than four and not exceeding six years.

Instead of any term of transportation exceeding ten years and not exceeding fifteen years, penal servitude for any term not less than six and not exceeding eight years.

Instead of any term of transportation exceeding fifteen years, penal servitude for any term not less than six and not exceeding ten years.

Instead of transportation for the term of life, penal servitude for the term of life. And in every case where, at the discretion of the Court, one of any two or more of the terms of transportation hereinbefore mentioned might have been awarded, the Court shall have the like discretion to award one of the two or more terms of penal servitude hereinbefore mentioned in relation to such terms of transportation.

Discretion of Courts as to alternative punishments not to be affected.

III. Provided always that nothing herein contained shall interfere with or affect the authority or discretion of any Court in respect of any punishment which such Court may now award or pass on any offender other than transportation ; but where such other punishment may be awarded at the discretion of the Court instead of transportation or in addition

thereto, the same may be awarded instead of, or (as the case may be) in addition to the punishment substituted for transportation under this Act.

Effect of pardon granted upon condition of penal servitude.

IV. If any offender sentenced by any Court within the said territories to the punishment of death shall have mercy extended to him, upon condition of his being kept in penal servitude for life, or for any term of years, all the provisions of this Act shall be applicable to such offender in the same manner as if he had been lawfully sentenced under this Act to the term of penal servitude specified in the condition.

The Executive Government may direct Europeans under sentence of transportation to be kept in penal servitude.

V. It shall be lawful for the person or persons for the time being administering the Executive Government of any Presidency or place in which a European has been lawfully sentenced by any Court to be transported, to order such person, instead of being transported, to be kept in penal servitude for the shortest term of penal servitude substituted by this Act for a term of transportation of the same extent as that to which the offender is liable under such sentence or order.

Term of penal servitude in such case.

Persons under sentence of penal servitude where to be sent and how to be dealt with.

VI. Every person who, under this Act, shall be sentenced or ordered to be kept in penal servitude, may, during the term of the sentence or order, be confined in any such prison or place of confinement within any part of the said territories as the Governor General of India in Council shall, by any General Order, from time to time direct; and may, during such time, be kept to hard labour; and such person may, until he can conveniently be removed to such prison or place of confinement, be imprisoned, with or without hard labour, and dealt with in all other respects in the same manner as persons sentenced by the convicting Court to imprisonment with hard labour may, for the time being, by law be dealt with. Provided that the time of such intermediate imprisonment, and the time of removal from one prison to another, shall be taken and reckoned in discharge or part discharge of the term of the sentence.

Intermediate imprisonment

Proviso.

All Acts, &c., respecting convicts under sentence of transportation or imprisonment with hard labour made applicable for the purposes of this Act.

VII. All Acts and Regulations now in force within any part of the said territories, with respect to convicts under order or sentence of transportation, or under order or sentence of imprisonment with hard labour, shall, so far as may be consistent with the express provisions of this Act, be construed to extend and be applicable to persons under any order or sentence of penal servitude made or passed under this Act.

Removal of European convicts under sentence of imprisonment from one prison to another.

VIII. The person or persons for the time being administering the Executive Government of the Presidency or place in which any European Convict is imprisoned, under a sentence or order of imprisonment for a term exceeding one year, whether with or without hard labour, may, with the consent of the Governor General of India in Council, order the removal of such prisoner from the prison or place in which he is confined to any other public prison or place of confinement within any part of the said territories, and such order shall be a sufficient authority for imprisoning the convict during the remainder of the term mentioned in the sentence, or any part of such term, in the Jail to which the prisoner is removed.

Government may grant a license to be at large to any convict under sentence of penal servitude.

IX. It shall be lawful for the Governor General of India in Council to grant to any convict who may hereafter be sentenced or ordered to be kept in penal servitude, a license to be at large within the said territories, or in such part thereof as in such license shall be expressed, during such portion of his term of servitude, and upon such conditions in all respects as to the Governor General of India in Council shall seem fit; and it shall be lawful for the said Governor General in Council at any time to revoke or alter such license by a like order.

Holder of such license not to be imprisoned, &c.

X. So long as such license shall continue in force and unrevoked, such convict shall not be liable to imprisonment or penal servitude by reason of his sentence, but shall be allowed to go and remain at large according to the terms of such license.

If license revoked, the convict may be apprehended and committed to prison.

XI. In case of the revocation of any such license as aforesaid, it shall be lawful for one of the Secretaries to the Government of India, by order in writing, to signify to any Justice of the Peace or Magistrate that such license has been revoked, and to require such Justice or Magistrate to issue a warrant for the apprehension of the convict to whom such license was granted, and such Justice or Magistrate shall issue his warrant accordingly; and such warrant may be executed by any officer to whom it may be directed or delivered for that purpose in any part of the said Territories, and shall have the same force and effect in any place within such territories as if the same had been originally issued or subsequently endorsed by a Justice or Magistrate, or other lawful authority having jurisdiction in the place where the same shall be executed; and such convict, when apprehended under such warrant, shall be brought, as soon as he conveniently may be, before the Justice or Magistrate by whom the said warrant shall have been issued, or some other Justice or Magistrate of the same place, or before a Magistrate or Justice having jurisdiction in the zillah or district in which such convict shall be apprehended, and such Justice or Magistrate shall thereupon make out his warrant, under his hand and seal, for the re-commitment of such convict to the prison or place of confinement from which he was released by virtue of the said license, and such convict shall be re-committed accordingly, and shall thereupon be liable to be kept in penal servitude for such further period as, with the time during which he may have been imprisoned under the original sentence or order, and the time during which he may have been at large under an unrevoked license, shall be equal to the period mentioned in the original sentence or order.

XII. If a license be granted under Section IX. of this Act upon any condition specified therein, and the convict to whom the license is granted violate any such condition, or shall go beyond the limits specified in the license, or, knowing of the revocation of such license, shall neglect forthwith to surrender himself, or shall conceal himself or endeavour to avoid being apprehended, he shall be liable upon conviction to be sentenced to penal servitude for a term not exceeding the full term of penal servitude mentioned in the original sentence or order.

Penalty for breach of condition of the license.

XIII. Nothing in this Act is intended to alter or affect the provisions of the 12 and 13 Vict. Cap. 43, or any Act of Parliament passed in the United Kingdom of Great Britain and Ireland since the 28th of August 1833, or which may hereafter be passed.

Act not to affect the provisions of certain English Statutes.

CIRCULAR 1166.

WAR OFFICE, *4th Nov.* 1854.

SIR,

Her Majesty having been pleased by Her Warrant of 13th April 1854, to amend the Warrant of 1st July 1848, granting Medals and Gratuities to Soldiers in the Army for "good conduct and long service;" and having been further pleased to direct that Gratuities so awarded shall be placed under certain restrictions in the Savings Bank of the regiment to which such Soldier may belong, I am directed to acquaint you, in furtherance thereof, and with reference to the Circular letter from this Department of the 22nd May last, No. 1159, that the following instructions should be observed in investing the Gratuities alluded to:—

115 083. / 1485.

The Gratuity is to be placed to the credit of the Soldier in the Savings' Bank Ledger, separate and distinct from his ordinary Savings' Bank transactions, as also from any deposits he may have in any Friendly Society Fund invested in the Regimental Savings' Bank.

The following Heading is to be written over the Gratuity Account in the Ledger:—

"GRATUITY—Not to be paid until discharged from the Service."

In the event of a Soldier being transferred from the regiment in which he is serving, to another regiment, a separate Transfer Statement, to be called Form C., is to be transmitted to the regiment to which the man is transferred, having the heading above stated, and specifying the amount of Gratuity awarded, with the amount of interest added to principal, and separately stating the amount of interest, if any, to be afterwards added for any broken period previous to transfer.

When a regiment is transferred to the Indian Establishment, these Gratuities will be transferred to the India Company in the same way as the ordinary Savings' Bank, and Friendly Society Deposits have hitherto been transferred, but continuing to be separately and distinctly stated from ordinary Deposits.

To simplify, as much as possible, the transfer of Gratuities to Soldiers serving with their regiments in India, a Notification of the award will in future be made by the Secretary at War to the Directors of the East India Company, as well as to the Officer Commanding the regiment, with directions to the Paymaster that the amount awarded is to be deducted from the Quarterly Remittance Return of Effects, with a reference to the number and date of the War Office letter.

When men are discharged in India for the purpose of settling there, at the Cape of Good Hope, or any Colony eastward thereof, then the principal and interest of their Gratuities are to be withdrawn, and paid to them like their ordinary Savings' Bank Deposits.

In those cases, where men are sent home to be discharged, the East India Company will transfer to the British Government the Gratuity Deposits of such men in the same mode as that in which their Savings' Bank Balances are now transmitted, care being taken to distinguish such Gratuities from ordinary Savings' Bank Deposits.

Should a man, entitled to a Gratuity, die before he is discharged from the Service, the principal and interest are to be added to his effects in the mode pointed out in the 7th Section of the Savings' Bank Warrant of 11th October 1843.

As these Gratuities are only subject to forfeiture on conviction by a General, Garrison, or District Court Martial, Commanding Officers will take care to report such cases specially to the Secretary at War, and give the requisite directions to the Paymaster to remit to this country the principal and interest so forfeited, with the other remittances, to be placed to the credit of the public.

As regards regiments on the British Establishment, all forfeited Gratuities are to be withdrawn from the Savings Bank like any other deposits, and specifically credited to the public in the general state of the Quarterly Pay List, with a reference to the date of the Commanding Officer's letter reporting the forfeiture of the Gratuity to the Secretary at War.

In regard to those regiments on the British Establishment, which have not opened Savings Banks, and to the Soldiers of which Gratuities for "good conduct and long service" may be awarded it will be requisite that the Officer Commanding should open Savings Banks for the purpose of investing such Gratuities at interest, under the authority of the Warrant of 13th April, and the Circular from this Office dated 22nd May 1854.

I have the honor to be,

Sir,

Your obedient Servant,

B. HAWES.

WEDNESDAY, MARCH 21, 1855.

Legislative Council.

The 10th March 1855.

THE following Bill was read a second time in the Legislative Council on the 10th March 1855 and referred to a Select Committee who are to report thereon after the 14th of June next:—

A Bill to substitute penal servitude for the punishment of Transportation in respect of European Convicts, and to amend the Law relating to the removal of such Convicts.

Preamble.

WHEREAS, by reason of the difficulty of providing a place to which Europeans can, with safety to their health, be sent for the purpose of undergoing sentences of transportation or of imprisonment for long terms, it has become expedient to substitute other punishment for that of Transportation, and to amend the law relating to the removal of European Convicts for the purpose of imprisonment. It is enacted as follows:—

No European to be sentenced to transportation.

I. After the commencement of this Act no European shall be liable to be sentenced or ordered by any Court within the territories in the possession and under the Government of the East India Company to be transported.

Terms of penal servitude instead of the present terms of transportation.

II. Any person who, but for the passing of this Act, would, by any Law now in force, or which may hereafter be in force, in any part of the said territories, be liable to be sentenced or ordered, by any such Court, to be transported, shall, if a European, be liable to be sentenced or ordered to be kept in penal servitude for such term as hereinafter mentioned.

The terms of penal servitude to be awarded by any sentence or order instead of the term of transportation to which any such offender would, but for the passing of this Act, be liable, shall be as follows, (that is to say)—

Instead of transportation for seven years, or for a term not exceeding seven years, penal servitude for the term of four years.

Instead of any term of transportation exceeding seven years and not exceeding ten years, penal servitude for any term not less than four and not exceeding six years.

Instead of any term of transportation exceeding ten years and not exceeding fifteen years, penal servitude for any term not less than six and not exceeding eight years.

Subscriptions will likewise, hereafter, be received at such other Treasuries as may, from time to time, be notified by the Secretaries to Government in the Financial Department, at the several Presidencies and Lieutenant-Governorships.

But it will be understood, that, if the whole sum allotted to any particular Presidency or Lieutenant-Governorship shall not be subscribed within two (2) months from the date of this Notification, it shall be optional with the Government of India to direct that the balance shall be received at any other Presidency or Lieutenant-Governorship.

Subscriptions must be tendered in sums of even hundreds, of not less than 500 Company's Rupees, subject to the provisions hereinafter specified.

Interest will be paid on the subscriptions received half-yearly, at the rate of Five Company's Rupees per centum per annum; and the Government of India guarantees that no part of this Loan shall be paid off before the 31st March 1870, nor without a previous notice of three months to be issued at any time after the 30th of December 1869.

Military Department, No. 25 *of* 1855.

OUR GOVERNOR GENERAL OF INDIA IN COUNCIL

1. Consequent upon the changes which have been made in the system of promotion in Her Majesty's Army by the Royal Warrant, dated on the 6th October 1854, and by the Order, dated Horse Guards, the 23rd November 1854, the following changes, in the system of promotion in the Armies of the East India Company, have been approved and authorized by Her Majesty's Government. General periodical Brevets are abolished. A fixed establishment of General Officers of all Arms of the Service arranged in one list for the three Presidencies is authorized.

The Establishment to consist of:—

25 Generals.
50 Lieutenant-Generals.
145 Major-Generals.

Vacancies in the grades of General Officers respectively are to be filled by the promotion of the Senior Officers standing next in succession in the Gradation List of General Officers and Colonels at the three Presidencies.

Major Generals hereafter promoted for distinguished service, will, after the number of General Officers on the fixed Establishment has been completed, be placed in the Permanent General Officer's List, in the proportion of one Major-General for two vacancies; the second vacancy being filled by seniority from the Colonel's List.

Officers of Artillery, Engineers, Cavalry, and Infantry, after serving three years from the date they attain the rank of Lieutenant-Colonel, whether with their Regiment, or on the Staff, or on detached Military employment, in situations which, by the Regulations in force at the time, can be held by Lieutenant-Colonels, will be promoted to the rank of Colonel.

Field Officers, commissioned as such, before the 20th June 1854, will be allowed to rise by Brevet as under the Regulations then in force; but no Officer promoted to the rank of Field Officer, on or after that date is to rise from the rank of Lieutenant-Colonel to that of Colonel, otherwise than by three years' service in the former rank, as above described, or as a reward for distinguished service, or by appointment to be Queen's Aid-de-Camp.

The Governor General of India may, if in his opinion the good of the Service requires it, appoint any Colonel selected for Field Service or a Divisional Command, to the temporary rank of Major General without regard to seniority; and may, in like manner in the same circumstances, appoint a Major-General selected for a Command to the rank of Lieutenant General.

In cases where Colonels shall be so appointed without regard to seniority, to command as Major Generals, their temporary rank, if they should have conducted themselves to the satisfaction of the Government of the Presidency to which they belong, may, after having held such Command for five years in peace, or after any shorter period in war upon the recommendation of the Commander-in-Chief, under whom they have served, transmitted with his own approbation by the Governor General of India, and further recommended by the Commander-in-Chief of Her Majesty's Forces, be made permanent at the pleasure of the Queen, if Her Majesty shall so determine. In like manner the temporary rank of Lieutenant-General, as conferred by the Governor General of India, may be confirmed and made permanent at Her Majesty's pleasure.

In addition to the Colonels promoted by seniority to be Major-Generals, Colonels will be eligible for promotion by Her Majesty to the rank of Major-General, and Lieutenant-Generals to the rank of General, for distinguished service in the field. In the case of Officers promoted to the rank of General Officers as a reward for distinguished service in war, the recommendation, in which the service of the Officer shall be detailed, shall be published in the General Orders of the Army and in the *Gazette*, with a view to ensure the responsibility attaching to an appointment thus made out of the regular course of Army Promotion.

Every vacancy on the fixed Establishment of General Officers is to be filled by the promotion when there is no supernumerary of the Senior Colonel qualified to succeed to the rank of Major-General and to be placed on the fixed establishment under the regulations now in force; and vacancies in the ranks of General and Lieutenant-General, will be filled in the same manner. If there be more than one supernumerary who has been promoted for distinguished service, the promotion of the Senior Colonel to take place on every second vacancy only, until the supernumeraries be reduced by the appointment, alternately, of a supernumerary and the promotion of a Colonel.

Promotion shall be made in the ranks of Field Officers below the rank of Colonel, from time to time, or as vacancies occur in the Major-General's fixed Establishment.

Any Captain, Major, or Lieutenant-Colonel, may be rewarded by promotion to Brevet rank for distinguished service in the Field, on the recommendation, as at present, of the General Commanding-in-Chief.

The names of Officers above the rank of Captain who have already retired, or may hereafter retire from the Service on full pay, are to be retained in the Army List in italics; and Officers now on the retired Full Pay List, or hereafter retiring upon full pay are to receive a step of Brevet rank, but such Officers cannot be further promoted.

2. One of the provisions of the Royal Warrant is, that "the Commands of General Officers and other situations on the Staff, both at home, and abroad, shall not be held for more than five years unless by re-appointment." This rule already obtains in the Service as regards General Officers on the Staff; and we have now resolved that it shall be extended, as in Her Majesty's Service, to all other situations in the Staff and on detached employment.

3. Immediate effect will be given to portions of the above arrangement by the promotion by Her Majesty of Officers to complete the establishment of General Officers for the three Presidencies, and of the Officers now retired on full pay who are to receive a step of Brevet rank.

4. Your Government will forthwith promote to be Colonels the Lieutenant-Colonels entitled to that advantage.

5. In making these promotions, time of absence beyond sea, on furlough, or sick certificate on leave granted, will not be allowed to reckon as a part of the three years' service, except absence on account of wounds received in action, or from ill-health contracted by service with an Army in the Field, which must be duly certified by the report of a Medical Board, when each case will be separately examined. In all other cases the time of absence of the Officer before he has completed the required three years' service as Lieutenant-Colonel will be deducted, so that the Officer shall have actually served that time before he be promoted to the rank of Colonel.

6. Having considered the position of the Lieutenant-Colonels now in the Service who have held that rank for three years and upwards, it has been resolved that the above rule shall not be applied in its full strictness to them; but that the circumstances of each case and the length and causes of absence shall be taken into consideration, and the proper deductions, if any, from their time of service be made accordingly.

7. We leave it to the Governor General of India in Council to specify in General Orders the Officers on the Staff or other detached Military employment, in which service as Lieutenant-Colo-

nel shall, from the date of the promulgation in General Orders of the present arrangement, be held equivalent to actual Regimental Command as Lieutenant-Colonel in qualifying Officers to be promoted to Colonel.

8. The Commissions of Colonels to all Lieutenant-Colonels qualified according to the arrangement now communicated, by three years' service as Lieutenant-Colonels, on the 28th November 1854, are to bear that date, being the date assigned to the first promotions made in Her Majesty's Service under the Royal Warrant.

We are, &c.,

(Signed) J. OLIPHANT,

And Eleven other Directors.

The Directors have great pleasure in informing their fellow-shareholders in India, that they have at length succeeded in procuring a Royal Charter of Incorporation, conferring on the Bank the fullest powers, and enabling it to carry on every description of Banking business in London as well as in the East Indies and in the Eastern Colonies of the Empire.

In London, the Corporation opens current accounts and receives Interest Deposits in the usual manner of London Bankers, and in addition undertakes the collection and regular transmission to England of Interest on Government Paper and Dividends of Banks and Joint Stock Companies in India at a fixed rate of Exchange if desired. LONDON AND EASTERN BANKING CORPORATION.

AT A MEETING of the Shareholders of the LONDON and EASTERN BANKING CORPORATION, held at the Bank House, No. 36 King William Street, on Thursday, the 8th February last—

The Hon. J. C. ERSKINE in the Chair—

The Notice summoning the Meeting having been read, the annexed Report was presented by the Chairman, and read by the Manager :—

REPORT.

"The Directors have much satisfaction in reporting that the Charter has been obtained. It was sealed and delivered to them on the 20th January last, and is now on the table for the inspection of the Shareholders.

"The delay and difficulty in obtaining the Charter has been the subject of much anxiety to your Directors: they have now, however, not only to congratulate the Shareholders on its completion, but upon the very extensive and liberal powers given to them as a corporate body.

"The several requirements of the Charter having been complied with, the business of the Bank under its corporate title was, with the concurrence of the Solicitors, commenced on the 29th ultimo, all the outstanding accounts having been closed up to Saturday, the 27th. These accounts, after careful examination by the Board of Directors, were found correct, adopted, and taken over by the Board, for and on account of the Corporation: the Corporate Seal was attached thereto, and the books of the Corporation opened in accordance with them.

"The working of the Bank up to the date of the obtainment of the Charter has had the best attention of your Directors, and, considering the Bank's recent establishment, the result has been highly satisfactory, and such as justified their declaring the two half-yearly Dividends at the rate of six per cent. per annum, which have been paid to the Shareholders. An Abstract of the Balance Sheet up to 27th January 1855, sealed and adopted by the Board for the Corporation, is placed upon the table for the inspection of the Shareholders.

"The Directors hope to have the pleasure of meeting the Shareholders on the day fixed by the Charter for the Annual General Meeting, namely, the third Monday in July next, when they will communicate full particulars as to the working of the Corporation under its new Charter."

The CHAIRMAN then addressed the Meeting, and presented for inspection the Charter and the Corporate Seal, with the abstract of the Balance Sheet of the 27th January, alluded to in the Report. The following Resolutions were put and carried:—

1*st*.—Proposed by Major-General Patrick Grant, C. B., seconded by William Felgate, Esq., and carried unanimously—

"That the Report of the Directors just read be and is hereby approved and adopted."

2*nd*.—Proposed by William Felgate, Esq., seconded by George Henry Smith, Esq., and carried unanimously—

"That the very best thanks of the Shareholders are due, and are hereby given to the Directors and Manager, for their success in procuring for the Bank a Royal Charter of Incorporation."

3*rd*.—Proposed by the Hon. J. C. Erskine, seconded by John Carnac Morris, Esq., and carried unanimously—

"That under the powers given by Clause No. 33 of the Charter, the number of Shareholders required to be present in person, or by proxy, in order to constitute a General Meeting, be fixed at not less than one-fifth of the whole number of the Shares of the Corporation."

Thanks having been voted to the Chair, the Meeting dissolved.

No. 383 of 1855.—With a view to remove doubts which have arisen as to the class of Depositors entitled to the superior rate of interest allowed on the Savings' Bank Deposits of the Soldiery, under the Notification of the Financial Department, dated the 26th May 1854, and more especially as to the claim of Non-Commissioned Officers and Soldiers attached to the Town Major's List to receive that rate of interest on their savings; the Hon'ble the President in Council is pleased to notify, that all Military Depositors making their Deposits through the Paymasters of Corps or Divisions, shall be entitled to the higher rate of interest allowed to the soldiery by the Notification above referred to, those depositing in cash direct at the Bank or through Civil Treasuries being considered as Civil Depositors, and entitled to interest at 3 per cent. only. LONDON AND EASTERN BANKING CORPORATION.

AT A MEETING of the Shareholders of the LONDON and EASTERN BANKING CORPORATION, held at the Bank House, No. 36, King William Street, on Thursday, the 8th February last—

The Hon. J. C. ERSKINE in the Chair—

The Notice summoning the Meeting having been read, the annexed Report was presented by the Chairman, and read by the Manager :—

REPORT.

"The Directors have much satisfaction in reporting that the Charter has been obtained. It was sealed and delivered to them on the 20th January last, and is now on the table for the inspection of the Shareholders.

"The delay and difficulty in obtaining the Charter has been the subject of much anxiety to your Directors: they have, now, however, not only to congratulate the Shareholders on its completion, but upon the very extensive and liberal powers given to them as a corporate body.

"The several requirements of the Charter having been complied with, the business of the Bank under its corporate title was, with the concurrence of the Solicitors, commenced on the 29th ultimo, all the outstanding accounts having been closed up to Saturday, the 27th. These accounts, after careful examination by the Board of Directors, were found correct, adopted, and taken over by the Board, for and on account of the Corporation: the Corporate Seal was attached thereto, and the books of the Corporation opened in accordance with them.

"The working of the Bank up to the date of the obtainment of the Charter has had the best attention of your Directors, and, considering the Bank's recent establishment, the result has been highly satisfactory, and such as justified their declaring the two half-yearly Dividends at the rate of six per cent. per annum, which have been paid to the Shareholders. An Abstract of the Balance Sheet up to 27th January 1855, sealed and adopted by the Board for the Corporation, is placed upon the table for the inspection of the Shareholders.

"The Directors hope to have the pleasure of meeting the Shareholders on the day fixed by the Charter for the Annual General Meeting, namely, the third Monday in July next, when they will communicate full particulars as to the working of the Corporation under its new Charter."

The CHAIRMAN then addressed the Meeting, and presented for inspection the Charter and the Corporate Seal, with the abstract of the Balance Sheet of the 27th January, alluded to in the Report. The following Resolutions were put and carried :—

1*st.*—Proposed by Major-General Patrick Grant, C. B., seconded by William Felgate, Esq., and carried unanimously—

"That the Report of the Directors just read be and is hereby approved and adopted."

2*nd.*—Proposed by William Felgate, Esq., seconded by George Henry Smith, Esq., and carried unanimously—

"That the very best thanks of the Shareholders are due, and are hereby given to the Directors and Manager, for their success in procuring for the Bank a Royal Charter of Incorporation."

3*rd.*—Proposed by the Hon. J. C. Erskine, seconded by John Carnac Morris, Esq., and carried unanimously—

"That under the powers given by Clause No 33 of the Charter, the number of Shareholders required to be present in person, or by proxy, in order to constitute a General Meeting, be fixed at not less than one-fifth of the whole number of the Shares of the Corporation."

Thanks having been voted to the Chair, the Meeting dissolved.

(Signed) JOHN C. ERSKINE,
Chairman.

Act repealed.

I. Act XII. of 1837 is hereby repealed, except as to any act or offence done or committed, or to any fine or penalty incurred, or to any proceedings commenced before the passing of this Act.

Houses not to be covered with an outer roof of combustible materials, without such consent, when re-built or repaired after the passing of this Act

III. It shall not be lawful for the owner or occupier of any house or out-house, whether built before or after the passing of this Act, or whether at the time covered with an outer roof of thatch or other combustible materials or not, either in re-building, altering, repairing or re-covering the same, or on any occasion, or for any purpose whatever, to cover or cause or permit to be covered any such house or out-house, either wholly or in part, with an outer roof or covering of thatch or other combustible materials, without the consent of the said Commissioners first obtained for that purpose

No house to have an outer roof of combustible materials after the 1st of January 1857.

IV. It shall not be lawful for the owner or occupier of any house or out-house within the said Town which, at the time of the passing of this Act, has, or is covered with, an outer roof of thatch or other combustible materials, or for any person having control over the same, to suffer such roof or covering or any roof or covering of combustible materials to remain as the outer covering of the said house or out-house after the 1st day of January 1857.

Proviso.

given by any person or persons whatsoever and that service of any such notice upon the said premises shall be deemed sufficient service of such notice.

VI. The said Commissioners are hereby empowered, upon the application of any person, to signify their consent, by any writing signed by their Secretary or Surveyor for the time being, to the covering, either wholly or in part, any house or out-house within the said Town with an outer roof of thatch or other combustible materials or to the continuing of any such outer roof after the period herein-before mentioned. But every such consent shall express the time for which it is to remain in force. And, after the expiration of such time, the owner or occupier of the said house or out-house suffering the said outer roof or covering of combustible materials to continue, shall be liable to be proceeded against as if he had originally covered the said house with such roof or suffered the same to continue without such consent as aforesaid. But it shall be lawful for the said Commissioners from time to time to revoke or to renew such consent if they shall think fit.

Upon conviction under this Act, Justice may direct materials, &c. to be removed.

VII. Upon any conviction under this Act, it shall be lawful for the Justice before whom it shall take place to order that any such roof or covering of combustible materials, or that any building or thing hereby prohibited, to which such conviction shall relate, be removed within a time to be appointed and certified in writing by the said Justice. And if, at the expiration of the said time, the said roof or covering, or the other building or thing directed to be removed, has not been removed, it shall be lawful for the said Commissioners, without further reference to such Justice and without any further summons or notice, to remove or cause to be removed the said building or thing, and (if they shall think fit, but not otherwise) to cover or cause to be covered the said house or out-house with an outer roof of incombustible materials and to cause such alteration to be made in the walls as may enable them to support such outer roof.

If not removed, the Commissioners may remove such materials.

And cause the house, &c. to be properly roofed.

Commissioners may sell materials removed—surplus, after payment of expenses, to be paid to owner.

VIII. It shall be lawful for the said Commissioners to sell or cause to be sold the materials of such roof or covering, building or thing as in the last preceding Section mentioned, and, out of the monies arising from such sale, to pay the reasonable charges for such removal and of such new covering and alteration when the same shall take place. And the said Commissioners shall pay the surplus, if any, to the occupier of the said house or to the person entitled to the immediate possession thereof. If the monies accruing from such sale be not sufficient to pay such costs and charges, the said occupier, or the person entitled to the immediate possession of the said house, shall be liable to pay the same, and if he shall not, on demand, pay the same, then it shall be lawful for any Justice of the Peace, by warrant under his hand, (upon a summons, issued to such occupier or person) to cause the amount thereof, together with the costs of such distress, to be levied by distress and sale of the goods, chattels and effects of such occupier or person, and to cause the amount thereby realized to be paid over to the said Commissioners.

Mode of recovering expenses if the money arising from such sale be insufficient.

IX. Whenever any conflagration shall take place in any plot or parcel of land within the said Town wherein any houses or out-houses are built, and more than two of such houses or out-houses near to one another, and not having any other house or out-house between them, shall be burnt down, or whenever any plot of land in the said Town may be let out, or be taken or acquired for building purposes, it shall not be lawful for any person or persons to build, or cause or permit the building of any houses or out-houses on such plot or parcel of land in a confused, scattered or irregular manner, but the houses and out-houses built therein shall be arranged in regular streets or lines, giving a frontage and free passage or way in front of every such house or out-house of at least 10 feet, unless the consent of the Commissioners for the Town of Calcutta (to be obtained and signified in the manner hereinbefore mentioned) to the building or arranging the same otherwise, be obtained.

The way in front of a house to be deemed a public way.

X. Every passage or way in front of any house or out-house so to be constructed as aforesaid, although the same pass over the private property of individuals, shall be deemed to be a public street within the meaning of the Act No. XII. of 1852, and shall be subject to all the provisions of the said Act.

XII. It shall be lawful for the said Commissioners to purchase and take absolutely, or on lease for such terms as they may think fit, any land near or adjoining to any tank in the said Town, which the said Commissioners may deem it necessary to purchase or take for the purpose of setting apart such a pathway or space round or near to the said tank as will permit a free passage

for fire engines and scavengering carts, regard being had to the compensation of the owners or occupiers of such land.

Compensation for such lands how to be made.

XIII. Every such purchase shall be made, and land taken subject to the provisions of the Act No. XII. of 1852 as to lands taken and purchased by the Commissioners under that Act, and subject to the provisions of the Act No. XXII. of 1847 as to compensation of the owner and occupier of the said land, save that, in every case in which a dispute or difference between the said Commissioners and any person whose property they may intend to purchase for the purpose of this Act as to the amount of compensation to be paid for the said property, which difference and dispute either of the said parties shall refuse, or shall not consent to settle by arbitration, instead of the said dispute being settled by and before the Sheriff and a Jury as in that Act provided, the same shall be settled and determined by a Justice of the Peace of and for the Town of Calcutta, who shall have the same power to ascertain and award the amount of purchase money and of compensation, and shall proceed in the same manner, and shall be vested with the same powers as the Sheriff and the Jury respectively under the said Act: and the proceedings before, and the award of the said Justice of the Peace, shall be of the same force and effect and attended with the same consequences as the proceedings before, and the verdict and judgment respectively of the Jury and Sheriff under the said Act: and the said Commissioners shall have all the powers in respect of lands purchased under this Act as they have or hereafter may have in respect of lands vested in them for public purposes under the said Act. But it shall not be necessary for the said Commissioners to obtain the consent of the Governor or Lieutenant-Governor of Bengal to the purchasing or taking any land under this Act.

Penalties how to be recovered.

XIV. All penalties and fines incurred under this Act, except where it is otherwise and specially provided by the Act, shall be imposed and recovered in the manner prescribed by Act No. XII. of 1852 in respect of the penalties and fines incurred under that Act, and shall be applied in the same manner, save that such portion of the said fine as shall be paid over to the said Commissioners shall be applied by them in the first instance for the purposes of this Act, and all powers and authorities given by the said last-mentioned Act to any Justice of the Peace or to the said Commissioners for the Improvement of the Town of Calcutta with respect to any matter or thing done under the said Act, except so far as the power of such Justices or Commissioners are hereby specially limited or defined, shall be applicable to any matter or thing done under this Act.

ACT No. IX. OF 1855.

An Act for the amendment of Procedure in cases of regular appeal to the Sudder Court in the Presidency of Fort St. George.

Preamble.

WHEREAS it is desirable to simplify and shorten the procedure in regular appeals to the Court of Sudder Udalut in the Presidency of Fort St. George; It is enacted as follows :—

Petition of regular appeal, when and to what Court to be presented, and what to contain.

I. *Clause 1st.* In modification of Clause fifth, Section X. Regulation V. of 1802, every petition of regular appeal in a case appealable to the Sudder Court, shall be presented to the Court in which the decision was passed within six weeks from the day of the decision. Such petitions of appeal shall, except in cases of petitions under Section XII. of this Act, contain only notice that the party, being dissatisfied with the decision, is desirous of appealing from it.

Time for presenting petition of appeal may be extended. To what Court, and how application to be made.

Clause 2nd. The Sudder Court may extend the time for presenting such petition of appeal to the lower Court, upon being satisfied that there is sufficient cause for such extension of time. The application for such extension of time may be made directly to the Sudder Court, or through the intervention of the lower Court, at the option of the applicant.

Notice to be given to respondent — and proclamation to issue.

II. On presentation of a petition of regular appeal to the Court in which the decision was passed, notice thereof to the respondent, as well as a proclamation to the same effect, shall immediately issue from that Court, and a copy of the proclamation shall be forthwith fixed up in some conspicuous part of the Court House of the said Court. In case the proclamation cannot be fixed, or the notice served in the manner above-mentioned, the proclamation shall be fixed up in such other place, if any, as the said last-mentioned Court shall direct. The Nazir shall make a return to the Court stating when and where the notice and proclamation have been served or fixed up. The return of the Nazir shall be filed in Court, and shall form part of the record of the case, and such return shall be published by fixing up the same in some conspicuous part of the Court House of the lower Court.

Of what original papers copies are to be deposited.

III. *Clause 1st.* The rule in Section XI. Regulation V. of 1802, which directs copies of all original papers transmitted to the Sudder Court with the record of an appealed case to be made out and deposited in the lower Court, in lieu of the originals, is hereby modified, and it shall be necessary to copy, authenticate, and deposit only the exhibits in the case, and also any other papers of importance, including the

pleadings, or any parts of them, which either of the parties shall require to be copied, authenticated and deposited in the lower Court, previously to their being transmitted to the Sudder Court.

Clause 2nd. If either of the parties require any papers to be copied, authenticated and deposited, such party shall, either by himself, or his pleader or authorized agent, give notice in writing thereof to the lower Court, before the expiration of fourteen days from the time of the publication of the return of the Nazir, as aforesaid: such notice shall specify the papers which the party requires to be copied, authenticated and deposited.

Party requiring any papers to be copied to give notice thereof.

Clause 3rd. Either party may, by himself, or his pleader or authorized agent, before the presentation of an appeal, give notice in writing to the lower Court specifying any papers or documents which he requires to be copied, authenticated and deposited, in the event of an appeal being preferred.

Party may give notice of papers to be copied in anticipation of appeal.

IV. The petition of appeal together with the record of the lower Court shall be certified to the Sudder Court as soon as conveniently may be after the presentation of the petition of appeal, provided that the same shall not be certified within the time allowed to the parties for specifying the papers which they desire to be copied, authenticated and deposited.

Petition and record when to be certified to the Sudder Court.

Proviso.

V. On arrival of the appeal record at the Sudder Court, notice shall be affixed in the Court House of the said Court, requiring the appellant to file, within six weeks from the date thereof, his grounds of objection to the decision of the Court below. Within the said space of six weeks, the appellant shall file in the said Sudder Court his grounds of objection to the decision.

Notice to appellant to file objections.

The 14th April 1855.

THE following Act, passed by the Legislative Council, received the assent of the Most Noble the Governor General of India on the 21st March 1855, (communicated to the Legislative Council on the 14th April 1855,) and is hereby promulgated for general information :—

ACT No. IX. OF 1855.

An Act for the amendment of Procedure in cases of regular appeal to the Sudder Court in the Presidency of Fort St. George.

Preamble.

WHEREAS it is desirable to simplify and shorten the procedure in regular appeals to the Court of Sudder Udalut in the Presidency of Fort St. George; It is enacted as follows :—

Petition of regular appeal, when and to what Court to be presented, and what to contain.

I. *Clause 1st.* In modification of Clause fifth, Section X. Regulation V. of 1802, every petition of regular appeal in a case appealable to the Sudder Court, shall be presented to the Court in which the decision was passed within six weeks from the day of the decision. Such petitions of appeal shall, except in cases of petitions under Section XII. of this Act, contain only notice that the party, being dissatisfied with the decision, is desirous of appealing from it.

Time for presenting petition of appeal may be extended. To what Court, and how application to be made.

Clause 2nd. The Sudder Court may extend the time for presenting such petition of appeal to the lower Court, upon being satisfied that there is sufficient cause for such extension of time. The application for such extension of time may be made directly to the Sudder Court, or through the intervention of the lower Court, at the option of the applicant.

Notice to be given to respondent — and proclamation to issue.

II. On presentation of a petition of regular appeal to the Court in which the decision was passed, notice thereof to the respondent, as well as a proclamation to the same effect, shall immediately issue from that Court, and a copy of the proclamation shall be forthwith fixed up in some conspicuous part of the Court House of the said Court. If the notice cannot be personally served, the proclamation shall

at once be fixed upon the door of the respondent's dwelling-house, or in some conspicuous place in the village or place where he usually resides; or in cases in which the respondent shall not have a fixed residence within the jurisdiction of the Company's Courts, the proclamation may be fixed upon the door of his house of business or cutcherry, or the notice may be served on his known local agent. In case the proclamation cannot be fixed, or the notice served in the manner above-mentioned, the proclamation shall be fixed up in such other place, if any, as the said last-mentioned Court shall direct. The Nazir shall make a return to the Court stating when and where the notice and proclamation have been served or fixed up. The return of the Nazir shall be filed in Court, and shall form part of the record of the case, and such return shall be published by fixing up the same in some conspicuous part of the Court House of the lower Court.

Of what original papers copies are to be deposited

III. *Clause 1st.* The rule in Section XI. Regulation V. of 1802, which directs copies of all original papers transmitted to the Sudder Court with the record of an appealed case to be made out and deposited in the lower Court, in lieu of the originals, is hereby modified, and it shall be necessary to copy, authenticate, and deposit only the exhibits in the case, and also any other papers of importance, including the

pleadings, or any parts of them, which either of the parties shall require to be copied, authenticated and deposited in the lower Court, previously to their being transmitted to the Sudder Court.

Party requiring any papers to be copied to give notice thereof.

Clause 2*nd*. If either of the parties require any papers to be copied, authenticated and deposited, such party shall, either by himself, or his pleader or authorized agent, give notice in writing thereof to the lower Court, before the expiration of fourteen days from the time of the publication of the return of the Nazir, as aforesaid: such notice shall specify the papers which the party requires to be copied, authenticated and deposited.

Party may give notice of papers to be copied in anticipation of appeal.

Clause 3*rd*. Either party may, by himself, or his pleader or authorized agent, before the presentation of an appeal, give notice in writing to the lower Court specifying any papers or documents which he requires to be copied, authenticated and deposited, in the event of an appeal being preferred.

Petition and record when to be certified to the Sudder Court.

IV. The petition of appeal together with the record of the lower Court shall be certified to the Sudder Court as soon as conveniently may be after the presentation of the petition of appeal, provided that the same shall not be certified within the time allowed to the parties for specifying the papers which they desire to be copied, authenticated and deposited.

Proviso.

Notice to appellant to file objections.

V. On arrival of the appeal record at the Sudder Court, notice shall be affixed in the Court House of the said Court, requiring the appellant to file, within six weeks from the date thereof, his grounds of objection to the decision of the Court below. Within the said space of six weeks, the appellant shall file in the said Sudder Court his grounds of objection to the decision.

Notice to respondent to file objections.

VI. *Clause* 1*st*. On the filing of the grounds of objection by the appellant, notice shall be affixed in the Court House of the Sudder Court, requiring the respondent to file his grounds of objection, if any, to the appeal, or to the decision of the lower Court, within four weeks from the date of such notice.

When respondent to file objections.

Clause 2*nd*. Within the said space of four weeks, the respondent shall file any grounds of objection which he has to the appeal, or which relate to such parts of the decision as are involved in the appeal.

In what case respondent may file a separate petition of appeal.

Clause 3*rd*. If the respondent shall desire to object to any part of the decision of the lower Court not involved in the appeal, he may present a separate petition of appeal to the Sudder Court within the said space of four weeks, or within such further time as the said Sudder Court shall allow for that purpose.

Grounds of objection to be filed therewith.

Clause 4*th*. The respondent shall, in such case, file with his petition of appeal, his grounds of objection to that part of the decision to which his appeal relates; otherwise his appeal shall not be received.

Record when to be deemed complete.

VII. *Clause* 1*st*. At the expiration of the time allowed to the respondent for filing his grounds of objection, and for filing a separate petition of appeal in the Sudder Court, the record shall be deemed complete, and the case ready to be called up for decision, on any day which the Sudder Court may notify, unless the respondent, within such time file a separate petition of appeal in the Sudder Court.

Notice of separate petition of appeal to be given.

Clause 2*nd*. If the respondent file a separate petition of appeal in the Sudder Court, notice shall be fixed up in the Court House of the Sudder Court, to the effect that the respondent has filed such separate appeal; and the notice shall require the appellant to file any grounds of objection which he may have thereto, within the space of four weeks from the date of the notice.

When appellant to file objections.

Clause 3*rd*. Within such space of four weeks, the appellant may file any grounds of objection which he has to such appeal, or which relate to that part of the decision which is involved in the respondent's appeal. At the expiration of the time allowed for filing such grounds of objection by the appellant, the record shall be deemed complete, and the case ready to be called up for decision on any day which the Sudder Court shall notify for that purpose.

Record when to be deemed complete.

Hearing of appeals.

Clause 4*th*. If the appeal of either party be dismissed, or withdrawn, the appeal of the other may be heard alone; otherwise the two appeals, and the proceedings thereon, shall form one record, unless the Sudder Court shall otherwise order.

In what case respondent not to present a separate petition of appeal.

VIII. The respondent shall not be allowed to present a separate petition of appeal in the Sudder Court, if he shall previously have presented a petition of appeal to the lower Court.

Objections to be distinctly stated, and to be numbered.

IX. *Clause* 1*st*. All grounds of objection, which shall be filed by either the appellant or the respondent, shall be stated distinctly and concisely, without any argument or narrative of facts; and shall be numbered consecutively, and, except in the cases hereinafter mentioned, shall be on paper bearing the stamp duty prescribed by Section XIX. Regulation XIII. of 1816.

Also to be written on stamped paper.—Exception.

Sudder Court may extend the time for filing objections.

Clause 2*nd*. The Sudder Court may extend the time for filing grounds of objection, either by an appellant or respondent, upon special application for that purpose, and upon sufficient reasons being shown, to the satisfaction of the said Court, for such extension of time. In such case, the objections may be filed within such extended time.

By leave of the Sudder Court, grounds of objection may be amended or added. The parties, but not the Court, to be confined to the objections filed.

X. Either party may, by leave of the Sudder Court or any Judge thereof, at any time before the hearing, amend his grounds of objection, or add grounds of objection to those filed, upon such terms and conditions, and within such time as the said Court or Judge may order. The said Court may also, upon the hearing of any appeal,

allow either party to amend his grounds of objection, or to add further grounds, or to urge, and be heard by himself or his pleader, in support of any objection not included in his grounds of objection, upon such terms and conditions as to postponement of the cause, and as to the payment of costs or otherwise, as the Court shall think just, to prevent the opposite party or his pleader from being taken by surprise, or otherwise. Without such leave of the Court, neither party shall be allowed to urge or to be heard in support of any objection not included in his grounds of objection filed. But the Court shall not be confined to such grounds of objection in deciding the cause.

Sudder Court may fix a day to hear and determine objections to the appeal before hearing the appeal.

XI. *Clause* 1*st.* The Sudder Court may call up for hearing and decision on any day the Court shall notify, and without regard to the place in which the case stands in the general list of appeals, any grounds of objection filed by the respondent, or the appellant, to the appeal of the opposite party; and the Sudder Court may hear and decide upon such grounds of objection, before calling the case up for decision, upon the grounds of objection to the decision of the lower Court.

Appeal involving objections of law only may be heard and decided at any fixed time without regard to its place in the list of appeals.

Clause 2*nd.* If the grounds of objection filed by the appellant and respondent shall be upon points of law only, and shall not raise any question of fact, the Sudder Court may order the case to be called up for hearing and decision on any day which the said Court shall notify, without regard to the place in which it stands in the general list of appeals pending in the said Court.

Appeal involving objections of law and fact how to be heard.

Clause 3*rd.* If the grounds of objection filed shall raise questions of law and fact, and it shall appear to the Sudder Court that the decision of the law may render it unnecessary to determine any question of fact so raised, the Court may order the case to be called up for decision upon the law alone in the first instance, in the manner pointed out in the last preceding Section; and if the decision of the case upon the law shall render it unnecessary to determine any question of fact, the said Court shall pass a final decision in the case; otherwise the Court shall determine the law only, and the case shall be afterwards set down in the list of regular appeals for hearing upon the question or questions of fact, and shall be determined in the same manner as any other regular appeal.

Appeal *in formâ pauperis*.

XII. If any party to a regular suit be desirous of being admitted to appeal *in formâ pauperis* to the Sudder Court, the following procedure shall be adopted:

Petition when to be presented.

Clause 1*st.* The appellant shall present his petition to the lower Court according to the rules prescribed by Section I. of this Act, provided that a petition to appeal *in formâ pauperis* against any decision passed before this Act shall come into operation may be presented within three months from the day of the decision.

Proviso.

Form of petition.

Clause 2*nd.* Petitions of appeal by parties desirous to appeal *in formâ pauperis* shall contain a statement to that effect, and also a Schedule of the whole real and personal property belonging to the petitioner, and the estimated value of such property, and shall be written on paper bearing the stamp duty of two rupees per sheet.

Notice thereof and Proclamation.

Clause 3*rd.* Upon the presentation of such petition, the notice to the respondent and the proclamation shall state that the appellant desires to appeal *in formâ pauperis*.

Procedure on such appeal.

When Sudder Court is to determine whether appeal shall be *in formâ pauperis*.

Clause 4*th.* On arrival of the appeal record at the Sudder Court, the same procedure shall be adopted in that Court as in other cases of regular appeal, except that, after the filing of the grounds of objection by the appellant, and before notice shall be given requiring the respondent to file his grounds of objection, the Sudder Court shall determine, according to the rules now applicable to the determination of such cases, whether or not the appellant shall be allowed to appeal *in formâ pauperis*.

Notice to respondent to file objections to pauper appeals.

Clause 5*th.* If the Sudder Court allow the petitioner to appeal *in formâ pauperis*, notice shall be given to the respondent to file his grounds of objection in the manner provided by Section VI. of this Act, and the same procedure shall be adopted subsequently thereto as in other cases of regular appeal under this Act. The rules and conditions now applicable to persons admitted by the Sudder Court to appeal *in formâ pauperis* shall continue in force, except where the same are inconsistent with any of the provisions of this Act.

Rules of Sudder as to pauper appeals to continue in force, except where inconsistent with this Act.

What order may be made upon refusal to allow appeal *in formâ pauperis*.

Clause 6*th.* If the Sudder Court refuse to allow the petitioner to appeal *in formâ pauperis*, the said Court may make an order to the effect that the appellant, upon filing a petition of appeal in that Court upon paper bearing the stamp duty prescribed by Section XIII., and Clause 2, Section XXIII., Regulation XIII. of 1816, and upon re-filing his grounds of objection on paper bearing the stamp duty prescribed by Section XIX. and Clause 2, Section XXIII. of the same Regulation, may proceed with the appeal according to the rules prescribed by this Act in the case of persons not appealing as paupers.

Appellant how to proceed upon such order.

Clause 7*th.* Upon such order being made, the appellant shall file his petition, and re-file his objections upon paper stamped with the stamp duty required by Clause 6th of this Section, within two weeks from the date of such order, or within such further time as the said Court may allow for that purpose; otherwise the appeal shall stand dismissed.

Notice of order to be given to respondent. Subsequent procedure thereon.

Clause 8*th.* Upon the re-filing of the grounds of objection according to the provisions of the last preceding Clause, notice of the order and of the re-filing of such objections shall be given to the respondent in the manner prescribed by Section VI. of this Act, and the respondent shall be required to file his grounds of objection, if any, according to the provisions of that Section. The procedure subsequent to such notice shall be according to the general provisions of this Act.

Clause 9th. If an appellant shall petition to appeal *in formâ pauperis*, his grounds of objection may be written on plain paper.

In pauper appeals, appellant's objections may be on unstamped paper.

XIII. If an appellant shall be admitted to appeal, or a respondent to defend *in formâ pauperis*, all grounds of objection subsequently filed by either party may be written on plain paper.

All subsequent objections may be on unstamped paper.

XIV. The provisions of this Act shall not apply to regular appeals preferred before the 1st day of May 1855.

No. 530.

Fort William, Home Department,

The 13th April 1855.

Notification.—The following Treasury Warrant, dated the 23rd January 1855, for the future regulation of the Book Post between Great Britain and the Colonies, is published for general information:—

Treasury Warrant.

Whereas by an Act passed in the fourth year of the reign of Her present Majesty, intituled "An Act for the regulation of the duties of postage," certain scales of weight and rates of postage were fixed and made chargeable and payable upon, for, or in respect of letters, newspapers, Parliamentary proceedings, and printed papers transmitted and forwarded by the post, and various regulations were made for facilitating the transmission of such letters and papers by the post.

And whereas by the said Act, powers were given to the Commissioners of Her Majesty's Treasury, from time to time, and at any time thereafter, by Warrant under their hands, to alter and fix any of the rates of British postage or inland postage, payable by law on the transmission by the post of foreign or colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weight to be contained in such Warrant, and from time to time, by Warrant as aforesaid, to alter or repeal any of such altered rates, and make and establish any new or other rates in lieu thereof, and from time to time, by Warrant as aforesaid, to appoint at what time the rates which may be payable are to be paid, and the power thereby given to alter and fix rates of postage is extended to any increase or reduction, or remission of postage.

And whereas by an Act, passed in the eleventh year of the reign of Her present Majesty, intituled "An Act for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post Office," the provision fixing the maximum weight of letters to be sent by the post, in the first mentioned Act, is repealed; and in order to prevent packets of an unwieldy bulk or an inconvenient size being transmitted by the post, power is given to the Commissioners of Her Majesty's Treasury, at any time or times thereafter, by Warrant under their hands, to fix the maximum weight of letters to be sent by the post, and from time to time to repeal or revoke such maximum weight, wholly or in part, and declare any other maximum of weight in lieu thereof; and it is provided, that all letters shall be forwarded, conveyed, and delivered by the post in conformity with any such Warrant, and also in conformity with and under and subject to all such orders, conditions, limitations, regulations, and restrictions as to the form, size, or dimensions thereof, whether in proportion to the weight or otherwise, as the Post-master General, with the consent of the Commissioners of Her Majesty's Treasury, shall from time to time direct. And by the said Act power is also given to the Post-master General to collect and receive the foreign and colonial postage charged or chargeable on any letters sent by the post, and also, with the consent of the Commissioners of Her Majesty's Treasury, to require the postage, British, colonial, or foreign, of any letters sent by the post, to be pre-paid, either in money or in stamps as he may think fit, on the same being put into the Post Office, and also with such consent to abolish or restrict the pre-payment in money of postage on letters sent by the post, either altogether or on certain letters, and to require the pre payment thereof to be in stamps, and also to refuse to receive or send by the post any letters tendered contrary to any regulations thereby made. And it is also declared and enacted, that in all cases in which the British postage, chargeable on any letters sent by the post, shall exceed the sum of one penny, the Commissioners of Her Majesty's Treasury may, by Warrant under their hands, reduce such postage to any other rate of postage they may from time to time think fit. And also, that the Post-master General may, if he shall think fit (with the consent of the Commissioners of Her Majesty's Treasury,) allow any printed words, writing, or marks (in addition to the direction,) to

be put on any printed newspapers or other printed papers sent by the post, or on the covers thereof, and that any such newspapers, or other printed papers, shall from thenceforth be forwarded either free of postage or subject to such rates of postage as the Post-master General, with the consent of the Commissioners of Her Majesty's Treasury, shall from time to time direct. And it is also declared and enacted, that the Post-master General and any officer of the Post Office may detain any letters which shall be posted or sent by the post contrary to the regulations of that Act, or the first-mentioned Act, or contrary to any regulations made under the authority of that Act, or of the first-mentioned Act, or contrary to the regulations of any Treasury Warrant to be issued under or by virtue of that Act, or which had been or should be issued under or by virtue of the first-mentioned Act, and open such letters, and either return them to the senders thereof or forward them to the places of their destination, charged in either case with such rates of postage as the Post-master General, with the consent of the Commissioners of Her Majesty's Treasury, shall, from time to time, direct.

And whereas the Post-master General hath, with the consent of the Commissioners of Her Majesty's Treasury, and the Commissioners of Her Majesty's Treasury have, at various times, since the passing of the said two before-mentioned Acts, and in pursuance and in exercise of the powers reserved to them thereby, by divers Warrants under their hands, made and given certain orders, directions, and regulations, relating to the weight, size, and dimensions, and to the rates of postage in conformity with, and under and subject to which, certain printed papers and Parliamentary proceedings therein rerpectively mentioned were to be, and are, transmitted by the post, and it is expedient that such Warrants, and such orders, directions, regulations, and rates should be altered, repealed, and revoked, and that other orders, directions, regulations, and rates should be made and given, and consolidated and incorporated in one Warrant.

1. Now we, the Commissioners of Her Majesty's Treasury, in exercise of the powers reserved to us in and by the said two before-mentioned Acts, or either of them, and of all other powers enabling us in this behalf, do by this Warrant (under the hands of two of us the said Commissioners, by the authority of the Statute in that case made and provided,) order and direct that the several Warrants and parts of Warrants mentioned and set forth in the Schedule A to this Warrant annexed, and the several orders, directions, regulations, and rates of postage in such several Warrants and parts of Warrants respectively mentioned and set forth, shall cease and determine, and shall be, and the same are, hereby respectively repealed and revoked.

2. And we do further order and direct, that all packets consisting of books, publications, or works of literature or art, whether British, colonial, or foreign, and all packets consisting of printed votes and proceedings of the Imperial Parliament or the Colonial Legislatures, may be transmitted by the post between any part of the United Kingdom and any part of the several places mentioned and set forth in the Schedule B to this Warrant annexed; and that all such respective packets shall be so transmitted in conformity with, and under, and subject to, the several regulations, orders, directions, and conditions hereinafter mentioned and contained; and that, as respects certain of the said places in the said Schedule B mentioned, such transmission may also be by the routes mentioned against such places in such Schedule; and that the single rate of postage for the transmission thereof shall be that which is mentioned and set forth against the said places respectively in the said Schedule B and that all such respective packets so transmitted shall be subject to the several progressive and additional rates of postage hereinafter mentioned; that is to say:

On every such packet so transmitted under the provisions of this Warrant as aforesaid, if not exceeding half a pound in weight, there shall be charged, taken, and paid, for the transmission thereof respectively, as aforesaid, the uniform single rate of postage which is mentioned and set forth against the said places respectively, in the said Schedule B.

And on every such packet exceeding half a pound in weight, there shall be charged, taken, and paid, progressive and additional rates of postage as follows; that is to say:

On every such packet, if exceeding half a pound and not exceeding one pound in weight, two rates of postage.

And on every such packet, if exceeding one pound and not exceeding two pounds in weight, four rates of postage.

And on every such packet, if exceeding two pounds and not exceeding three pounds in weight, six rates of postage.

And for every additional one pound in weight of any such packet above the weight of three pounds, there shall be charged, taken, and paid, two additional rates of postage, and every fractional part of such additional pound shall be charged as an additional pound in weight, and each progressive and additional rate, chargeable under this clause, shall be estimated and charged at the sum which any such packet would be charged with under this Warrant, if not exceeding half a pound in weight.

No such packet, which in length or breadth or width shall exceed the dimensions of two feet, shall be forwarded by the post, under the provisions aforesaid.

No such packet, posted in the United Kingdom, addressed to the East Indies or New South Wales, or posted in the East Indies or New South Wales, addressed to the United Kingdom, exceeding the weight of three pounds, shall be forwarded by the post, under the provisions aforesaid.

The terms "books, publications, or works of literature or art" in this Warrant used shall, for the purposes of this Warrant, mean and include all books, whether printed, written, or plain; publications or compilations, whether in print or in manuscript; almanacks, prints, maps, whether on paper or canvas or cloth, and whether printed or written; and

any description of paper, parchment, or vellum, whether printed, written upon, or plain, together with any binding, mounting, or covering of, or upon, or belonging to any book or publication or work, or any portion thereof, or of or belonging to any paper, parchment, or vellum, and any cases or rollers of prints or maps, book-markers, pencils, pens, or other articles usually appertaining to any such book, publication, or work, paper, parchment, or vellum, or necessary for its safe transmission; and that every such packet shall be sent open at the ends or sides, and either without a cover, or in a cover or envelope, open at the ends or sides, and that there shall be no letter, either closed or open, nor any enclosure, sealed or otherwise, closed against inspection, sent in or with any such packet, nor shall there be any letter or any communication in the nature of a letter, written or printed on the cover or envelope of any such packet.

Upon every packet transmitted by the post, under the authority of this Warrant, between the United Kingdom, and the several places mentioned and set forth in the said Schedule B, which shall be posted in the United Kingdom, the postage thereof shall be paid at the time of the same being posted, not in money, but by being duly stamped with the proper postage stamp or stamps affixed thereto, which stamp or stamps shall in every case be affixed or appear on the outside of every such packet near the address or direction, and shall be of the value or amount of the postage duty payable thereon under or by virtue of this Warrant, unless any such packet be sent from any department or office in or connected with the public service of Her Majesty, which shall keep a postage account with the General Post Office in London, in which case the same shall be forwarded post-paid, and the postage thereof shall be charged in such postage account; and upon every such packet which shall be posted in any of the colonies respectively mentioned and set forth in the said Schedule B to this Warrant annexed, the postage thereof shall be paid at the time of the same being posted.

3. And in order to prevent any obstacles to the due and regular transmission of letters by the post, we do further order and direct, that it shall be lawful for any officer of the Post Office to delay the transmission of any packet, posted or forwarded by the post, under the provisions of this Warrant, either for the space of twenty-four hours after the time at which the same ought to be dispatched in due course of the post, or (at his option) until the dispatch of the mail next after that by which the same ought in due course of the post to be forwarded by him.

4. And we do further order and direct, that nothing hereinbefore contained shall be construed to interfere with or affect the transmission by the post of printed newspapers or other printed publications which are allowed to pass by the post under the newspaper privilege.

5. And we do further order and direct, that if any packet sent or tendered or delivered in order to be sent by the post, under the provisions of this Warrant, posted in the United Kingdom, addressed to the East Indies or New South Wales, or posted in the East Indies or New South Wales, addressed to the United Kingdom, shall exceed the weight of three pounds, or if any packet sent or tendered or delivered in order to be sent by the post, under the provisions of this Warrant, between the United Kingdom and the several places mentioned and set forth in the said Schedule B, shall, in length, or breadth, or width, exceed the dimensions of two feet, or if the postage of any such packet, posted in any of the colonies respectively mentioned in the said Schedule B to this Warrant annexed, shall not be duly and properly paid when posted, or if any packet or the cover or envelope of any packet sent or tendered or delivered in order to be sent by the post, under the provisions of this Warrant, shall not be open at the ends or sides, or if there shall be any letter, or any communication in the nature of a letter, written or printed on any such cover or envelope, every such respective packet shall and may be detained and opened, and, at the option of the Post-master General, shall be either returned or given up to the sender thereof, or be given up to the person to whom it shall be addressed, or be forwarded to the place of its destination; and every such packet, on being so returned, given up, or forwarded, shall be chargeable with a postage of double the amount of postage to which it would have been liable as a letter if the postage had been paid when posted, and such double postage may be either paid by the sender, or be charged to the person to whom such packet shall be forwarded.

6. And we do further order and direct, that if any packet sent or tendered or delivered in order to be sent by the post, under the provisions of this Warrant, between the United Kingdom and the several places mentioned and set forth in the said Schedule B, shall contain any letter, whether closed or open, or any enclosure, sealed or otherwise closed against inspection, every such letter or enclosure may be taken out by any officer of the Post Office and forwarded to the address on the packet, charged not only with the full rates of postage on an unpaid letter, but also with a further and additional rate equal in amount to the single rate of postage which would be chargeable under the said Schedule on a packet not exceeding half a pound in weight, and the remainder of the packet, if the postage be duly paid when posted, may be forwarded to the place of its address without any extra charge.

7. And we do further order and direct, that if any packet sent or tendered or delivered in order to be sent by the post, under the provisions of this Warrant, respectively between the United Kingdom and the several places mentioned and set forth in the said Schedule B (any such packet sent from any department or office in or connected with the public service of Her Majesty, which shall keep a postage account with the General Post Office in London, and the postage thereof being charged in such account, only excepted) shall be posted in the United Kingdom, having thereon or affixed thereto a stamp or stamps, the value of which shall be less in amount than the rate of postage to which such packet would be liable under and by virtue of the several regulations, orders, directions, and conditions hereinbefore contained, but equal in amount to the single rate of postage which would be chargeable under the said Schedule, if such packet did not exceed half a pound in weight, every such last-mentioned packet shall be forwarded charged

with the amount of the difference between the value of such stamp or stamps so being thereon or affixed thereto, and the postage to which such packet would be liable as aforesaid, together with a further and additional rate of postage, equal in amount to the single rate of postage which would be chargeable under the said Schedule on a packet not exceeding half a pound in weight; but if any such packet shall be posted in the United Kingdom, without having thereon or affixed thereto any postage stamp, or having thereon or affixed thereto a postage stamp or stamps, the value of which shall be less in amount than the single rate of postage chargeable under the said Schedule, every such last-mentioned packet shall and may be detained and opened at any place in the United Kingdom, and, at the option of the Post-master General, shall be dealt with and chargeable in like manner as is hereinbefore directed with respect to any packet not open at the ends or sides, or exceeding in length, or breadth, or width, the dimensions of two feet.

8. And we do further order and direct, that nothing herein contained shall be construed to extend to any packets sent through France, or any other foreign country, to which a transit rate of postage would be payable thereon.

9. And we do further order and direct, that the Post-master General shall and may have and exercise the option of sending any packets hereby authorized to be sent by the post under the provisions aforesaid, either by packet-boat, or by private ship, at the same rate of postage as by packet-boat, when and as he shall think fit.

10. And we do further order and direct, that the term "by the post" used in this Warrant, or in any Schedule hereto annexed, shall, as to the sea conveyance, include the conveyance by any British or Colonial packet-boat, and also by private ship, when sent by the Post-master General, in accordance with the provision last hereinbefore contained, and the option thereby given to the Post-master General; and that the term "East Indies" used in this Warrant, or in any Schedule hereto annexed, shall be construed to mean every port or place in Asia within the limits of the charter of the East India Company (China, Hong-Kong, Ceylon, the Mauritius, Java, Borneo, and Australia excepted;) and that the several other terms and expressions used in this Warrant, or in any Schedule hereto annexed, shall be construed to have the like meaning in all respects as they would have had if inserted in the said Act, passed in the fourth year of the reign of Her present Majesty.

11. And we do further order and direct, that the Commissioners for the time being of Her Majesty's Treasury may, by Warrant under their hands, or the hands of any two of them, at any time hereafter, alter, repeal, or revoke, any of the rates of postage hereby fixed or altered, or any of the orders, directions, regulations, and conditions hereby made, and may make and establish any new or other rates, orders, directions, regulations, and conditions in lieu thereof, and from time to time appoint at what time the rates which may be payable are to be paid.

12. And we do further order and direct, that this Warrant shall come into operation on the first day of March next.

The 14th April 1855.

THE following Act, passed by the Legislative Council, received the assent of the Most Noble the Governor General of India on the 21st March 1855, (communicated to the Legislative Council on the 14th April 1855,) and is hereby promulgated for general information :—

ACT No. IX. OF 1855

An Act for the amendment of Procedure in cases of regular appeal to the Sudder Court in the Presidency of Fort St. George

Preamble.

WHEREAS it is desirable to simplify and shorten the procedure in regular appeals to the Court of Sudder Udalut in the Presidency of Fort St. George; It is enacted as follows :—

Petition of regular appeal, when and to what Court to be presented, and what to contain.

I. *Clause 1st.* In modification of Clause fifth, Section X. Regulation V of 1802, every petition of regular appeal in a case appealable to the Sudder Court, shall be presented to the Court in which the decision was passed within six weeks from the day of the decision. Such petitions of appeal shall, except in cases of petitions under Section XII. of this Act, contain only notice that the party, being dissatisfied with the decision, is desirous of appealing from it.

Time for presenting petition of appeal may be extended. To what Court, and how application to be made.

Clause 2nd. The Sudder Court may extend the time for presenting such petition of appeal to the lower Court, upon being satisfied that there is sufficient cause for such extension of time. The application for such extension of time may be made directly to the Sudder Court, or through the intervention of the lower Court, at the option of the applicant.

Notice to be given to respondent — and proclamation to issue.

II. On presentation of a petition of regular appeal to the Court in which the decision was passed, notice thereof to the respondent, as well as a proclamation to the same effect, shall immediately issue from that Court, and a copy of the proclamation shall be forthwith fixed up in some conspicuous part of the Court House of the said Court. If the notice cannot be personally served, the proclamation shall at once be fixed upon the

Service of notice, &c.

door of the respondent's dwelling-house, or in some conspicuous place in the village or place where he usually resides; or in cases in which the respondent shall not have a fixed residence within the jurisdiction of the Company's Courts, the proclamation may be fixed upon the door of his house of business or cutcherry, or the notice may be served on his known local agent In case the proclamation cannot be fixed, or the notice served in the manner above-mentioned, the proclamation shall be fixed up in such other place, if any, as the said last-mentioned Court shall direct. The Nazir shall make a return to the Court stating when and where the notice and proclamation have been served or fixed up. The return of the Nazir shall be filed in Court, and shall form part of the record of the case, and such return shall be published by fixing up the same in some conspicuous part of the Court House of the lower Court.

Of what original papers copies are to be deposited

III. *Clause 1st.* The rule in Section XI. Regulation V. of 1802, which directs copies of all original papers transmitted to the Sudder Court with the record of an appealed case to be made out and deposited in the lower Court, in lieu of the originals, is hereby modified, and it shall be necessary to copy, authenticate, and deposit only the exhibits in the case, and also any other papers of importance, including the

pleadings, or any parts of them, which either of the parties shall require to be copied, authenticated and deposited in the lower Court, previously to their being transmitted to the Sudder Court.

Party requiring any papers to be copied to give notice thereof.

Clause 2nd. If either of the parties require any papers to be copied, authenticated and deposited, such party shall, either by himself, or his pleader or authorized agent, give notice in writing thereof to the lower Court, before the expiration of fourteen days from the time of the publication of the return of the Nazir, as aforesaid: such notice shall specify the papers which the party requires to be copied, authenticated and deposited.

Party may give notice of papers to be copied in anticipation of appeal.

Clause 3rd. Either party may, by himself, or his pleader or authorized agent, before the presentation of an appeal, give notice in writing to the lower Court, specifying any papers or documents which he requires to be copied, authenticated and deposited, in the event of an appeal being preferred.

Petition and record when to be certified to the Sudder Court.

IV. The petition of appeal together with the record of the lower Court shall be certified to the Sudder Court as soon as conveniently may be after the presentation of the petition of appeal, provided that the same shall not be certified within the time allowed to the parties for specifying the papers which they desire to be copied, authenticated and deposited.

Proviso.

Notice to appellant to file objections.

V. On arrival of the appeal record at the Sudder Court, notice shall be affixed in the Court House of the said Court, requiring the appellant to file, within six weeks from the date thereof, his grounds of objection to the decision of the Court below. Within the said space of six weeks, the appellant shall file in the said Sudder Court his grounds of objection to the decision.

Notice to respondent to file objections.

VI. *Clause 1st.* On the filing of the grounds of objection by the appellant, notice shall be affixed in the Court House of the Sudder Court, requiring the respondent to file his grounds of objection, if any, to the appeal, or to the decision of the lower Court, within four weeks from the date of such notice.

When respondent to file objections.

Clause 2nd. Within the said space of four weeks, the respondent shall file any grounds of objection which he has to the appeal, or which relate to such parts of the decision as are involved in the appeal.

In what case respondent may file a separate petition of appeal.

Clause 3rd. If the respondent shall desire to object to any part of the decision of the lower Court not involved in the appeal, he may present a separate petition of appeal to the Sudder Court within the said space of four weeks, or within such further time as the said Sudder Court shall allow for that purpose.

Grounds of objection to be filed therewith.

Clause 4th. The respondent shall, in such case, file with his petition of appeal his grounds of objection to that part of the decision to which his appeal relates; otherwise his appeal shall not be received.

Record when to be deemed complete.

VII. *Clause 1st.* At the expiration of the time allowed to the respondent for filing his grounds of objection, and for filing a separate petition of appeal in the Sudder Court, the record shall be deemed complete, and the case ready to be called up for decision, on any day which the Sudder Court may notify, unless the respondent, within such time, file a separate petition of appeal in the Sudder Court.

Notice of separate petition of appeal to be given.

Clause 2nd. If the respondent file a separate petition of appeal in the Sudder Court, notice shall be fixed up in the Court House of the Sudder Court, to the effect that the respondent has filed such separate appeal; and the notice shall require the appellant to file any grounds of objection which he may have thereto, within the space of four weeks from the date of the notice.

When appellant to file objections.

Clause 3rd. Within such space of four weeks, the appellant may file any grounds of objection which he has to such appeal, or which relate to that part of the decision which is involved in the respondent's appeal. At the expiration of the time allowed for filing such grounds of objection by the appellant, the record shall be deemed complete, and the case ready to be called up for decision on any day which the Sudder Court shall notify for that purpose.

Record when to be deemed complete.

Hearing of appeals.

Clause 4th. If the appeal of either party be dismissed, or withdrawn, the appeal of the other may be heard alone; otherwise the two appeals, and the proceedings thereon, shall form one record, unless the Sudder Court shall otherwise order.

In what case respondent not to present a separate petition of appeal.

VIII. The respondent shall not be allowed to present a separate petition of appeal in the Sudder Court, if he shall previously have presented a petition of appeal to the lower Court.

Objections to be distinctly stated, and to be numbered.

IX. *Clause 1st.* All grounds of objection, which shall be filed by either the appellant or the respondent, shall be stated distinctly and concisely, without any argument or narrative of facts; and shall be numbered consecutively, and, except in the cases hereinafter mentioned, shall be on paper bearing the stamp duty prescribed by Section XIX. Regulation XIII. of 1816.

Also to be written on stamped paper.—Exception.

Sudder Court may extend the time for filing objections.

Clause 2nd. The Sudder Court may extend the time for filing grounds of objection, either by an appellant or respondent, upon special application for that purpose, and upon sufficient reasons being shown, to the satisfaction of the said Court, for such extension of time. In such case, the objections may be filed within such extended time.

By leave of the Sudder Court, grounds of objection may be amended or added. The parties, but not the Court, to be confined to the objections filed.

X. Either party may, by leave of the Sudder Court or any Judge thereof, at any time before the hearing, amend his grounds of objection, or add grounds of objection to those filed, upon such terms and conditions, and within such time as the said Court or Judge may order. The said Court may also, upon the hearing of any appeal,

allow either party to amend his grounds of objection, or to add further grounds, or to urge, and be heard by himself or his pleader, in support of any objection not included in his grounds of objection, upon such terms and conditions as to postponement of the cause, and as to the payment of costs or otherwise, as the Court shall think just, to prevent the opposite party or his pleader from being taken by surprise, or otherwise. Without such leave of the Court, neither party shall be allowed to urge or to be heard in support of any objection not included in his grounds of objection filed. But the Court shall not be confined to such grounds of objection in deciding the cause.

XI. *Clause 1st.* The Sudder Court may call up for hearing and decision on any day the Court shall notify, and without regard to the place in which the case stands in the general list of appeals, any grounds of objection filed by the respondent, or the appellant, to the appeal of the opposite party; and the Sudder Court may hear and decide upon such grounds of objection, before calling the case up for decision, upon the grounds of objection to the decision of the lower Court.

Sudder Court may fix a day to hear and determine objections to the appeal before hearing the appeal.

Clause 2nd. If the grounds of objection filed by the appellant and respondent shall be upon points of law only, and shall not raise any question of fact, the Sudder Court may order the case to be called up for hearing and decision on any day which the said Court shall notify, without regard to the place in which it stands in the general list of appeals pending in the said Court.

Appeal involving objections of law only may be heard and decided at any fixed time without regard to its place in the list of appeals.

Clause 3rd. If the grounds of objection filed shall raise questions of law and fact, and it shall appear to the Sudder Court that the decision of the law may render it unnecessary to determine any question of fact so raised, the Court may order the case to be called up for decision upon the law alone in the first instance, in the manner pointed out in the last preceding Section; and if the decision of the case upon the law shall render it unnecessary to determine any question of fact, the said Court shall pass a final decision in the case; otherwise the Court shall determine the law only, and the case shall be afterwards set down in the list of regular appeals for hearing upon the question or questions of fact, and shall be determined in the same manner as any other regular appeal.

Appeal involving objections of law and fact how to be heard.

XII. If any party to a regular suit be desirous of being admitted to appeal *in formâ pauperis* to the Sudder Court, the following procedure shall be adopted:

Appeal *in formâ pauperis.*

Clause 1st. The appellant shall present his petition to the lower Court according to the rules prescribed by Section I. of this Act, provided that a petition to appeal *in formâ pauperis* against any decision passed before this Act shall come into operation may be presented within three months from the day of the decision.

Petition when to be presented.

Proviso.

Clause 2nd. Petitions of appeal by parties desirous to appeal *in formâ pauperis* shall contain a statement to that effect, and also a Schedule of the whole real and personal property belonging to the petitioner, and the estimated value of such property, and shall be written on paper bearing the stamp duty of two rupees per sheet.

Form of petition.

Clause 3rd. Upon the presentation of such petition, the notice to the respondent and the proclamation shall state that the appellant desires to appeal *in formâ pauperis.*

Notice thereof and Proclamation.

Clause 4th. On arrival of the appeal record at the Sudder Court, the same procedure shall be adopted in that Court as in other cases of regular appeal, except that, after the filing of the grounds of objection by the appellant, and before notice shall be given requiring the respondent to file his grounds of objection, the Sudder Court shall determine, according to the rules now applicable to the determination of such cases, whether or not the appellant shall be allowed to appeal *in formâ pauperis.*

Procedure on such appeal.

When Sudder Court is to determine whether appeal shall be *in formâ pauperis.*

Clause 5th. If the Sudder Court allow the petitioner to appeal *in formâ pauperis*, notice shall be given to the respondent to file his grounds of objection in the manner provided by Section VI. of this Act, and the same procedure shall be adopted subsequently thereto as in other cases of regular appeal under this Act. The rules and conditions now applicable to persons admitted by the Sudder Court to appeal *in formâ pauperis* shall continue in force, except where the same are inconsistent with any of the provisions of this Act.

Notice to respondent to file objections to pauper appeals.

Rules of Sudder as to pauper appeals to continue in force, except where inconsistent with this Act.

Clause 6th. If the Sudder Court refuse to allow the petitioner to appeal *in formâ pauperis*, the said Court may make an order to the effect that the appellant, upon filing a petition of appeal in that Court upon paper bearing the stamp duty prescribed by Section XIII., and Clause 2, Section XXIII., Regulation XIII. of 1816, and upon re-filing his grounds of objection on paper bearing the stamp duty prescribed by Section XIX. and Clause 2, Section XXIII. of the same Regulation, may proceed with the appeal according to the rules prescribed by this Act in the case of persons not appealing as paupers.

What order may be made upon refusal to allow appeal *in formâ pauperis.*

Clause 7th. Upon such order being made, the appellant shall file his petition, and re-file his objections upon paper stamped with the stamp duty required by Clause 6th of this Section, within two weeks from the date of such order, or within such further time as the said Court may allow for that purpose; otherwise the appeal shall stand dismissed.

Appellant how to proceed upon such order.

Clause 8th. Upon the re-filing of the grounds of objection according to the provisions of the last preceding Clause, notice of the order and of the re-filing of such objections shall be given to the respondent in the manner prescribed by Section VI. of this Act, and the respondent shall be required to file his grounds of objection, if any, according to the provisions of that Section. The procedure subsequent to such notice shall be according to the general provisions of this Act.

Notice of order to be given to respondent. Subsequent procedure thereon.

Clause 9th. If an appellant shall petition to appeal *in formâ pauperis*, his grounds of objection may be written on plain paper.

In pauper appeals, appellant's objections may be on unstamped paper.

XIII. If an appellant shall be admitted to appeal, or a respondent to defend *in formâ pauperis*, all grounds of objection subsequently filed by either party may be written on plain paper.

All subsequent objections may be on unstamped paper.

XIV. The provisions of this Act shall not apply to regular appeals preferred before the 1st day of May 1855.

In every regular or summary suit, appeal or proceeding in any of the Civil Courts of the East India Company, and also in every summary suit or other proceeding of a Civil nature before any Court, Officer, or other person having by law or consent of parties authority to examine witnesses, the evidence of the attending witnesses shall be taken orally in open Court, in the presence and hearing, and under the personal direction and superintendence of the Judge. The evidence of each witness given upon such examination shall be taken down in writing, by or in the presence and under the superintendence of the Judge, not ordinarily by question and answer, but in the form of a narrative, and when completed shall be read over to the witness, and signed by him in the presence of the Judge and of the parties to the suit or their vakeels, or such of them as may think fit to attend. In case the witness shall refuse to sign the deposition, the Judge shall sign the same, and record the reason, if any, given by the witness for such refusal; together with such remarks thereon as the Judge shall think fit to make. It shall be in the discretion of the Judge to take down, or cause to be taken down, any particular question and answer, if there shall appear any special reason for doing so, or any party or his vakeel shall require it. If any question put to a witness be objected to by either of the parties or their vakeels, and the Court shall allow the same to be put, the question and answer shall be taken down, and the objection, and the name of the party making it, shall be noticed in taking down the depositions, together with the decision of the Court upon the objection. The Judge shall also record such remarks as he may think material respecting the demeanor of any witness whilst under examination. Provided that it shall not be necessary to take in writing the evidence of witnesses in cases tried by District Moonsiffs in the said Presidency of Fort St. George when the claim shall not exceed 20 rupees, or in cases tried by Village Moonsiffs in the same Presidency.

Proviso.

Military Department.

No. 9 of 1855.

OUR GOVERNOR GENERAL OF INDIA IN COUNCIL.

Reply to Letter dated 2nd September 1854, No. 214.

Government transmit papers relating to the conduct of Lieut. A. Procter, 39th N. I., who, while in command of a detachment of the Arracan Battalion in Burmah, summarily executed two Burmese, apprehended in his Camp as spies. He was tried for murder, but the Court Martial convicted him of manslaughter, and sentenced him to three months' imprisonment, recommending him to mercy. The sentence was not confirmed by the Commander-in-Chief. Government published a General Order on the occasion. Lieut. Procter has been remanded to his Regiment.

1. We have perused these proceedings with extreme regret.

2. Without entering into a detail of the particulars of the transaction, of which a lucid narrative is given in your General Order of the 21st August 1854, we desire to record our entire acquiescence in the views and sentiments expressed by the Governor General in Council on the occasion.

3. Lieutenant Procter, in being deprived of his detached employment, has received a very slight and inadequate punishment for his unjustifiable act. His greater punishment will be found in the strong and expressive terms used in General Orders in condemnation of his conduct, and in the reflection that, from error of judgment, he took on himself the heavy responsibility of causing two fellow-creatures to be put to death. We entertain no doubt but that the announcement of your sentiments will suffice to prevent any similar act of violence hereafter.

We are, &c.,
